

AMENDED IN ASSEMBLY APRIL 14, 2009

CALIFORNIA LEGISLATURE—2009—10 REGULAR SESSION

ASSEMBLY BILL

No. 526

Introduced by Assembly Member Fuentes

February 25, 2009

An act to add *and repeal* Article 14 (commencing with Section 2340) ~~to~~ of Chapter 5 of Division 2 of the Business and Professions Code, relating to physicians and surgeons.

LEGISLATIVE COUNSEL'S DIGEST

AB 526, as amended, Fuentes. Public Protection and Physician Health Program Act of 2009.

Existing law establishes in the Department of Consumer Affairs the Substance Abuse Coordination Committee, comprised of the executive officers of the department's healing arts boards, as specified, and a designee of the State Department of Alcohol and Drug Programs. Existing law requires the committee to formulate, by January 1, 2010, uniform and specific standards in specified areas that each healing arts board shall use in dealing with substance-abusing licensees. The Medical Practice Act establishes in the Department of Consumer Affairs the Medical Board of California, which provides for the licensure and regulation of physicians and surgeons.

This bill would enact the Public Protection and Physician Health Program Act of 2009, ~~and would make specified findings and declarations in that regard~~ *which would, until January 1, 2021, establish within the State and Consumer Services Agency the Public Protection and Physician Health Committee, consisting of 14 members appointed by specified entities, and would require agency adoption of related rules and regulations by June 30, 2010. The bill would require the*

committee to recommend to the agency one or more physician health programs, and would authorize the agency to contract with any qualified physician health program for purposes of care and rehabilitation of physicians and surgeons with alcohol or drug abuse or dependency problems or mental disorders as specified. The bill would impose requirements on the physician health program relating to, among other things, monitoring the status and compliance of physicians and surgeons who enter treatment for a qualifying illness, as defined, pursuant to written, voluntary agreements, and would require the agency and committee to monitor compliance with these requirements. The bill would provide that a voluntary agreement to receive treatment would not be subject to public disclosure or disclosure to the Medical Board of California, except as specified. The bill would require the board to increase physician and surgeon licensure and renewal fees for purposes of the act, and would establish the Public Protection and Physician Health Program Trust Fund for deposit of those funds, which would be subject to appropriation by the Legislature. The bill would also require specified performance audits.

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~-yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. *The Legislature hereby finds and declares that:*
- 2 (a) *California has long valued high quality medical care for its*
- 3 *citizens and, through its regulatory and enforcement system,*
- 4 *protects health care consumers through the proper licensing and*
- 5 *regulation of physicians and surgeons to promote access to quality*
- 6 *medical care. The protection of the public from harm by physicians*
- 7 *and surgeons who may be impaired by alcohol or substance abuse*
- 8 *or dependence or by a mental disorder is paramount.*
- 9 (b) *Nevertheless, physicians and surgeons experience*
- 10 *health-related problems at the same frequency as the general*
- 11 *population, and many competent physicians and surgeons with*
- 12 *illnesses may or may not immediately experience impairment in*
- 13 *their ability to serve the public. It has been estimated that at least*
- 14 *10 percent of the population struggles with alcohol or substance*
- 15 *abuse or dependence during their lifetime, which may, at some*
- 16 *point, impact approximately 12,500 of the state's 125,000 licensed*
- 17 *physicians and surgeons.*

1 (c) *It is in the best interests of the public and the medical*
2 *profession to provide a pathway for any currently licensed*
3 *physician and surgeon that is suffering from alcohol or substance*
4 *abuse or dependence or a mental disorder. The American Medical*
5 *Association has recognized that it is an expression of the highest*
6 *meaning of professionalism for organized medicine to take an*
7 *active role in helping physicians and surgeons to lead healthy lives*
8 *in order to help their patients, and therefore, it is appropriate for*
9 *physicians and surgeons to assist in funding such a program.*

10 (d) *While nearly every other state has a physician health*
11 *program, since 2007 California has been without any state*
12 *program that monitors physicians and surgeons who have*
13 *independently obtained, or should be encouraged to obtain,*
14 *treatment for alcohol or substance abuse or dependence or for a*
15 *mental disorder, so that they do not treat patients while impaired.*

16 (e) *It is essential for the public interest and the public health,*
17 *safety, and welfare to focus on early intervention, assessment,*
18 *referral to treatment, and monitoring of physicians and surgeons*
19 *with significant health impairments that may impact their ability*
20 *to practice safely. Such a program need not, and should not*
21 *necessarily, divert physicians and surgeons from the disciplinary*
22 *system, but instead focus on providing assistance before any harm*
23 *to a patient has occurred.*

24 (f) *Therefore, it is necessary to create a program in California*
25 *that will permit physicians and surgeons to obtain treatment and*
26 *monitoring of alcohol or substance abuse or dependence or a*
27 *mental disorder, so that they do not treat patients while impaired.*

28 SEC. 2. *Article 14 (commencing with Section 2340) is added*
29 *to Chapter 5 of Division 2 of the Business and Professions Code,*
30 *to read:*

31
32 Article 14. *Public Protection and Physician Health Program*

36 (12) A requirement that all physician health program services

38 qualifying illness.

39 (13) A requirement that any physician health program shall do
40 all of the following:

1 (A) Promote, facilitate, or provide information that can be used

27 this article.

28 2343. (a) On and after July 1, 2010, upon adoption of the rules
29 and regulations required by Section 2342, the committee shall
30 recommend one or more physician health programs to the agency,
31 and the agency may contract with any qualified physician health
32 program. The physician health program shall be a nonprofit
33 corporation organized under Section 501(c)(3) of Title 26 of the
34 United States Code. The chief executive officer shall have expertise
35 in the areas of alcohol abuse, substance abuse, alcohol
36 dependency, other chemical dependencies, and mental disorders.

37 (b) Any contract entered into pursuant to this article shall
38 comply with all rules and regulations required to be adopted
39 pursuant to this article. No entity shall be eligible to provide the
40 services of the physician health program that does not meet the

1 minimum standards, criteria, and guidelines contained in those
2 rules and regulations.

3 (c) The contract entered into pursuant to this article shall also
4 require the contracting entity to do both of the following:

5 (1) Report annually to the committee statistics, including the
6 number of participants served, the number of compliant
7 participants, the number of participants who have successfully
8 completed their agreement period, and the number of participants
9 reported to the board for suspected noncompliance; provided,
10 however, that in making that report, the physician health program
11 shall not disclose any personally identifiable information relating
12 to any physician and surgeon participating in a voluntary
13 agreement as provided in this article.

14 (2) Agree to submit to periodic audits and inspections of all
15 operations, records, and management related to the physician
16 health program to ensure compliance with the requirements of
17 this article and its implementing rules and regulations.

18 (d) In addition to the requirements of Section 2348, the agency,
19 in conjunction with the committee, shall monitor compliance of
20 the physician health program with the requirements of this article
21 and its implementing regulations, including making periodic
22 inspections and onsite visits with any entity contracted to provide
23 physician health program services.

24 2344. The agency has the sole discretion to contract with a
25 physician health program for licensees of the board and no
26 provision of this article may be construed to entitle any physician
27 and surgeon to the creation or designation of a physician health
28 program for any individual qualifying illness or group of qualifying
29 illnesses.

30 2345. (a) In order to encourage voluntary participation in
31 monitored alcohol or chemical dependency or mental disorder
32 treatment programs, and in recognition of the fact that mental
33 disorders, alcohol dependency, and chemical dependency are
34 illnesses, a physician and surgeon, certified or otherwise lawfully
35 practicing in this state, may enter into a voluntary agreement with
36 a physician health program. The agreement between the physician
37 and surgeon and the physician health program shall include a
38 jointly agreed upon treatment program and mandatory conditions
39 and procedures to monitor compliance with the treatment program,
40 including, but not limited to, an agreement to cease practice, as

1 *defined by the rules and regulations adopted pursuant to Section*
2 *2342. Except as provided in subdivisions (b), (c), (d), and (e), a*
3 *physician and surgeon's participation in the physician health*
4 *program pursuant to a voluntary agreement shall be confidential*
5 *unless waived by the physician and surgeon.*

6 *(b) (1) Any voluntary agreement entered into pursuant to this*
7 *section shall not be considered a disciplinary action or order by*
8 *the board, shall not be disclosed to the board, and shall not be*
9 *public information if all of the following are true:*

10 *(A) The voluntary agreement is the result of the physician and*
11 *surgeon self-enrolling or voluntarily participating in the physician*
12 *health program.*

13 *(B) The board has not referred a complaint against the physician*
14 *and surgeon to a district office of the board for simultaneous*
15 *investigation jointly assigned to an investigator and to the deputy*
16 *attorney general in the Health Quality Enforcement Section*
17 *pursuant to Section 12529.6 of the Government Code for conduct*
18 *involving or alleging an impairment adversely affecting the care*
19 *and treatment of patients.*

20 *(C) The physician and surgeon is in compliance with the*
21 *treatment program and the conditions and procedures to monitor*
22 *compliance.*

23 *(2) (A) Each participant, prior to entering into the voluntary*
24 *agreement described in paragraph (1), shall disclose to the*
25 *committee whether he or she is under investigation by the board.*
26 *If a participant fails to disclose such an investigation, upon*
27 *enrollment or at any time while a participant, the participant shall*
28 *be terminated from the program. For those purposes, the committee*
29 *shall periodically request from the board copies of recent*
30 *accusations filed against physicians and surgeons and shall*
31 *compare the names of physicians and surgeons subject to*
32 *accusation with the names of program participants.*

33 *(B) Notwithstanding subparagraph (A), a participant who is*
34 *under investigation by the board and who makes the disclosure*
35 *required in subparagraph (A) may participate in, and enter into*
36 *a voluntary agreement with, the physician health program.*

37 *(c) (1) If a physician and surgeon enters into a voluntary*
38 *agreement with the physician health program pursuant to this*
39 *article, the physician health program shall do both of the following:*

1 (A) In addition to complying with any other duty imposed by
2 law, report to the committee the name of and results of any contact
3 or information received regarding a physician and surgeon who
4 is suspected of being, or is, impaired and, as a result, whose
5 competence or professional conduct is reasonably likely to be
6 detrimental to patient safety or to the delivery of patient care.

7 (B) Report to the committee if the physician and surgeon fails
8 to cooperate with any of the requirements of the physician health
9 program, fails to cease practice when required, fails to submit to
10 evaluation, treatment, or biological fluid testing when required,
11 or whose impairment is not substantially alleviated through
12 treatment, or who, in the opinion of the physician health program,
13 is unable to practice medicine with reasonable skill and safety.

14 (2) Within 48 hours of receiving a report pursuant to paragraph
15 (1), the committee shall make a determination as to whether the
16 competence or professional conduct of the physician and surgeon
17 is reasonably likely to be detrimental to patient safety or to the
18 delivery of patient care, and, if so, refer the matter to the board
19 consistent with rules and regulations adopted by the agency. Upon
20 receiving a referral pursuant to this paragraph, the board shall
21 take immediate action and may initiate proceedings to seek a
22 temporary restraining order or interim suspension order as
23 provided in this division.

24 (d) Except as provided in subdivisions (b), (c), and (e), and this
25 subdivision, any oral or written information reported to the board
26 pursuant to this section, including, but not limited to, any physician
27 and surgeon's participation in the physician health program and
28 any voluntary agreement entered into pursuant to this article, shall
29 remain confidential as provided in subdivision (c) of Section 800,
30 and shall not constitute a waiver of any existing evidentiary
31 privileges under any other provision or rule of law. However, this
32 subdivision shall not apply if the board has referred a complaint
33 against the physician and surgeon to a district office of the board
34 for simultaneous investigation jointly assigned to an investigator
35 and to the deputy attorney general in the Health Quality
36 Enforcement Section pursuant to Section 12529.6 of the
37 Government Code for conduct involving or alleging an impairment
38 adversely affecting the care and treatment of patients.

39 (e) Nothing in this section prohibits, requires, or otherwise
40 affects the discovery or admissibility of evidence in an action

1 *against a physician and surgeon based on acts or omissions within*
2 *the course and scope of his or her practice.*

3 *(f) Any information received, developed, or maintained by the*
4 *agency regarding a physician and surgeon in the program shall*
5 *not be used for any other purpose.*

6 *2346. The committee shall report to the agency statistics*
7 *received from the physician health program pursuant to Section*
8 *2343, and the agency shall, thereafter, report to the Legislature*
9 *the number of individuals served, the number of compliant*
10 *individuals, the number of individuals who have successfully*
11 *completed their agreement period, and the number of individuals*
12 *reported to the board for suspected noncompliance; provided,*
13 *however, that in making that report the agency shall not disclose*
14 *any personally identifiable information relating to any physician*
15 *and surgeon participating in a voluntary agreement as provided*
16 *herein.*

17 *2347. (a) A physician and surgeon participating in a voluntary*
18 *agreement shall be responsible for all expenses relating to*
19 *chemical or biological fluid testing, treatment, and recovery as*
20 *provided in the written agreement between the physician and*
21 *surgeon and the physician health program.*

22 *(b) In addition to the fees charged for the initial issuance or*
23 *biennial renewal of a physician and surgeon's certificate pursuant*
24 *to Section 2435, and at the time those fees are charged, the board*
25 *shall include a surcharge of not less than twenty-two dollars (\$22)*
26 *and not to exceed an amount equal to 2.5 percent of the fee set*
27 *pursuant to Section 2435, which shall be expended solely for the*
28 *purposes of this article. The board shall collect this surcharge and*
29 *cause it to be transferred monthly to the trust fund established*
30 *pursuant to subdivision (c). This amount shall be separately*
31 *identified on the fee statement provided to physicians and surgeons*
32 *as being imposed pursuant to this article. The board may include*
33 *a conspicuous statement indicating that the Public Protection and*
34 *Physician Health Program is not a program of the board and the*
35 *collection of this fee does not, nor shall it be construed to,*
36 *constitute the board's endorsement of, support for, control of, or*
37 *affiliation with, the program.*

38 *(c) There is hereby established in the State Treasury the Public*
39 *Protection and Physician Health Program Trust Fund into which*
40 *all funds collected pursuant to this section shall be deposited.*

1 *These funds shall be used, upon appropriation in the annual Budget*
2 *Act, only for the purposes of this article.*

3 *(d) Nothing in this section is intended to limit the amount of*
4 *funding that may be provided for the purposes of this article. In*
5 *addition to funds appropriated in the annual Budget Act, additional*
6 *funding from private or other sources may be used to ensure that*
7 *no person is denied access to the services established by this*
8 *program due to a lack of available funding.*

9 *(e) All costs of the committee and program established pursuant*
10 *to this article shall be paid out of the funds collected pursuant to*
11 *this section.*

12 2348. *(a) The agency shall biennially contract to perform a*
13 *thorough audit of the effectiveness, efficiency, and overall*
14 *performance of the program and its vendors. The agency may*
15 *contract with a third party to conduct the performance audit, except*
16 *the third party may not be a person or entity that regularly testifies*
17 *before the board. This section is not intended to reduce the number*
18 *of audits the agency or board may otherwise conduct.*

19 *(b) The audit shall make recommendations regarding the*
20 *continuation of this program and this article and shall suggest*
21 *any changes or reforms required to ensure that individuals*
22 *participating in the program are appropriately monitored and the*
23 *public is protected from physicians and surgeons who are impaired*
24 *due to alcohol or drug abuse or dependency or mental disorder.*
25 *Any person conducting the audit required by this section shall*
26 *maintain the confidentiality of all records reviewed and information*
27 *obtained in the course of conducting the audit and shall not*
28 *disclose any information that is identifiable to any program*
29 *participant.*

30 *(c) If, during the course of an audit, the auditor discovers that*
31 *a participant has harmed a patient, or a patient has died while*
32 *being treated by a participant, the auditor shall include that*
33 *information in his or her audit, and shall investigate and report*
34 *on how that participant was dealt with by the program.*

35 *(d) A copy of the audit shall be made available to the public by*
36 *posting a link to the audit on the agency's Internet Web site*
37 *homepage no less than 10 business days after publication of the*
38 *audit. Copies of the audit shall also be provided to the Assembly*
39 *and Senate Committees on Business and Professions and the*

1 *Assembly and Senate Committees on Health within 10 business*
2 *days of its publication.*

3 2349. *This article shall remain in effect only until January 1,*
4 *2021, and as of that date is repealed, unless a later enacted statute,*
5 *that is enacted before January 1, 2021, deletes or extends that*
6 *date.*
